## boutique hotel & restaurant

Dear guests,  
we're glad to welcome you at Hotel Kitz again.  
Due to the Covid-19 pandemic we ask you kindly to  
pay attention to the following rules during your stay  
with us:

### 1.

Please always wear your mask while talking with our hotel staff and walking around in our facilities.

### 2.

Due to the Covid-19 pandemic our reception hours are limited. The room keys will be placed in the key box at the main entrance. Please contact us over the phone to receive the code for the key box on the day of your arrival.

### 3.

Unfortunately due to a water damage we have to keep our bar and restaurant closed. We gladly suggest our partner restaurant the  
Achtender.
